June 2009

Volume 73, Issue 2

Plaza Drive Now Open

June 1, 2009 Reliant FCU moved from Werner Court into our newest branch located on the corner of Plaza Drive and Wyoming Boulevard, near the West side Wal-Mart. This branch has been long awaited by members and staff. This branch will add convenience for members on the West side of Casper.

Member service representatives are enjoying the new style of work environment including teller pods. The use of cash recyclers has added convenience to members by limiting the time spent in lines.

Members choosing to use the convenient drive-up can now receive information on current specials and promotions as each lane has a small television to ensure that you are up to date with your credit union.

Now, enjoy Saturday hours at both Landmark and Plaza Drive locations!

Lobby Hours

Monday - Friday 9:00am - 5:00pm

Drive-Up Hours

Monday - Friday 8:30am - 5:30pm
Saturday 8:30am - 12:00pm

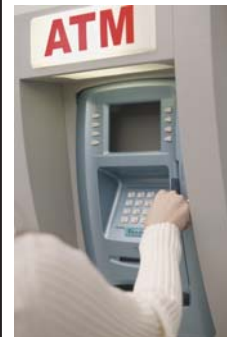

Stop by and take a look at your newest branch!!

 **march of dimes**

Reliant Federal Credit Union is proud to announce that we were able to raise \$1,744 for the March of Dimes!! Thank you everyone who bought a bear or footprint to help such a great cause!

Did you know that there is a Reliant ATM located at 325 College Drive just inside the Robert's Common building at Casper College? For your convenience this ATM accepts deposits.

Member Appreciation Day Scheduled July 15, 2009

Reliant Federal Credit Union will be hosting it's annual Member Appreciation Day on July 15, 2009.

We will be serving hamburgers and hot dogs from 11:00am- 1:00pm at all of our branches.

Please join us as we thank you for choosing us for all your financial needs!

2009 Day of Caring

May 7, 2009 – Reliant FCU closed all 4 branches for another “Day of Caring” event. This year we helped clean up Rotary Park located at the base of Casper Mountain. We began our day cutting and trimming old branches that were taking over the paths. The Rotary Club provided us with all the tools we needed to get the job done. Employees worked hard cutting and pulling branches out of the wooded area’s and placing them in a pile to allow for pick up scheduled for another day. We cleaned up trash that had been left behind,

moved rocks from the paths for safety, and continued trimming brush and branches from the picnic areas. Our lovely Wyoming weather cooperated for the day only dropping a few sprinkles. It was a fun and hardworking day for all!
